STAT

It has been alleged from numerous sources that these individuals have been involved in various activities in conjunction with the Central Intelligence Agency.

Whether or not any of these individuals had any relationship with the CIA, they may believe that actions they have taken were at the direction of responsible persons in the Central Intelligence Agency. Accordingly, in order for the Select Committee to obtain truthful statements and ultimately testimony from these individuals, it would be most useful for the Committee to have a letter from your office releasing these persons of any obligations of secrecy they may have made to the CIA, to anyone who represented himself as being affiliated with the CIA, or to anyone whom these individuals may believe was affiliated with the CIA.
